

Summary of Actions

How do we align ourselves with God as we work toward a greener economy? We suggest that you consider the "learn-pray-act" model to educate yourself, intercede on behalf of creation, and take actions that lead to a sustainable future.

Monica Tang, one of the speakers, has suggested the following resources to help you *learn* and *act* after this workshop.

- **Learn** about fossil fuel subsidies at <http://priceofoil.org/fossil-fuel-subsidies/>
- **Act:** Sign the petition at LeadNow:
- <https://you.leadnow.ca/petitions/it-s-time-canada-ends-fossil-fuel-subsidies>
- **Act:** Sign the petition to Bill Morneau, Canada's Finance Minister, for a Just Renewal:
https://act.350.org/sign/g20-2020?akid=125297.588427.Xsj0yF&rd=1&t=6&utm_medium=email&utm_source=actionkit
- **Act:** Sign the petition from Environmental Defence Fund telling Canada to not weaken its oil and gas regulations:
<https://act.environmentaldefence.ca/page/60067/action/1?ea.tracking.id=action>
- **Learn:** E-Petition for Green New Deal NDP Private Member's Bill for Green New Deal: <https://peterjulian.ca/petitions/>
- **Act:** BC Government Covid-19 recovery consultations:
<https://engage.gov.bc.ca/recoveryideas> (survey open until July 21, 2020)
